

Join the Cal Poly Amateur Radio Club!

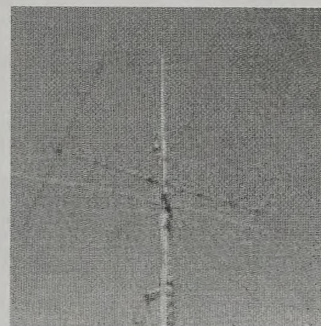

UU Box 53, Cal Poly
San Luis Obispo, CA, 93407-0675
(805)756-2737 www.w6bhz.org

Repeaters: 146.76MHz – PL127.3 and 442.3MHz + PL127.3

What we do: The club participates in many events during the school year. Our biggest event is Wildflower, where we provide communications for the entire triathlon. We also participate in Field Day and in many other on-air contests. Our shack is also an Emergency Communications Center for the San Luis Obispo ARES group, and we help with communications when major disasters strike the local area.

Our Repeaters: The club maintains two repeaters on top of the Administration Building on campus. They have excellent coverage throughout the campus and downtown. Hop on the air and say hi!

Amateur Radio Licensing: Don't have a license? Don't even know what that is? No worries! The Cal Poly Amateur Radio Club will be hosting a License-in-a-Day study and testing session during Fall Quarter for anyone to get their Amateur Radio License. Find out more at our 1st meeting!

The Mailing Lists and Forum: The club has several mailing lists where members regularly chat. The "local" mailing list is probably the most active and caters to people living in the San Luis Obispo area. Sign up for the mailing lists at the main W6BHZ webpage, or check out the forum at <http://forums.w6bhz.org>.
